#### Temple & Family History Nuggets November/ December, 2025

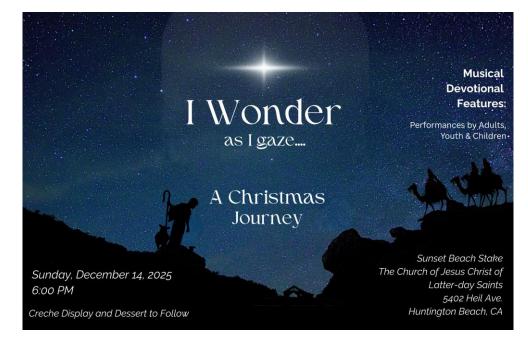

During this season of thanksgiving and joy, I'd like to take a moment to consider how our lives have changed or healed because of our temple and family history activity. I found a talk from Elder Renlund that has really helped me see how many times my life has been blessed.

Here are a few blessings that you may have experienced: Increased influence of the Holy Ghost, increased refining, sanctifying of our hearts, increased family blessings, increased love and appreciation for all relatives, increased power to discern that which needs healing, increased protection from temptation, and increased understanding of the Savior and His atoning sacrifice.
